

Hello,

The Canadian Pharmacist Association (CPhA) is currently holding the one-and-a-half day live workshop *The 'How To' of Managing Diabetes...A Prescription for Pharmacists* in Toronto and Sudbury on February 22(evening) to February 23(day).

As part of the Diabetes Strategy for Pharmacists, the Canadian Pharmacists Association is now offering live workshops of "The 'how-to' of managing diabetes...A prescription for pharmacists."

This three-module, nine-CEU workshop covers:

1. Pathophysiology, the teaching and learning process – 3-CEUs (02CPhA2003-09DSP11\*)
2. Nutrition therapy, physical activity, antihyperglycemic agents – 3-CEUs (02CPhA2003-09DSP12\*)
3. Insulin therapy, chronic complications – 3-CEUs (02CPhA2003-09DSP13\*)

Participants will receive practice tools for use in their own pharmacies including assessment forms, screening tools and information handouts; and access to additional teaching materials available in the 12-CEU online version of the workshop.

The one-and-a-half day workshops will take place on February 22, 2010 from 6-9 pm & February 23, 2010 from 8:30 am - 4:15 pm in:

- Marriott Toronto, Toronto, ON
- Days Inn, Sudbury, ON

The workshop prices are:

- CPhA Members: \$200
- Non-Members: \$450

Expand your role in helping your patients better manage their diabetes, and register today!
