

# HAMILTON & DISTRICT PHARMACISTS' ASSOCIATION

ANCASTER | BINBROOK | BURLINGTON | DUNDAS | FLAMBOROUGH | GRIMSBY | HAMILTON | STONEY CREEK | WATERDOWN

Dear Colleagues,

As you are all aware, the H1N1 epidemic has put overwhelming demands on our Public Health System as well as our acute care and family physicians in Hamilton. As a result, Assessment Centers have been set up to alleviate some of this necessary demand. Please inform your patients of these Centers.

These Centers are to assess the diagnosis of influenza and if the need of using Tamiflu is required.

Assessment Centers will be opening at two sites in Hamilton this weekend to alleviate the stress on emergency departments. The Assessment Centers will **NOT** be providing H1N1 vaccinations. Centers will be in effect from Saturday, October 31 until November 6, 2009

## **Hours of Operation:**

11 a.m. to 6 p.m. Saturdays and Sundays,  
3 p.m. to 10 p.m. Monday to Friday.

## **Locations: for the Hamilton Influenza Assessment Centre**

1. **West End location:** 690 Main Street West
2. **East End location:** 2757 King Street East at St. Joseph's East End Ambulatory Care Centre

Thank you

Faisal Kabir,  
Pharmacist  
Pharmacy Manager, WM#1107  
President, Hamilton & District Pharmacist Association
