

**The Hamilton District Pharmacists Association
invites you to:**

**“A Community Pharmacist Intervention in Smoking
Cessation.”**

Wednesday June 23rd, 2010

**This evening is an opportunity to learn practical counseling pearls in
smoking cessation.**

Speakers and agenda:

Carolyn Whiskin, B.Sc.Pharm. Certified Menopause Practitioner, Brant Arts Dispensary, will discuss the impact of smoking and smoking cessation on patients' health as well as a new thought paradigm in success evaluation criteria for HCP in smoking cessation.

Ranjeev Sandhu, PharmD, Caroline Medical Family Health Team, will present the long-term safety and efficacy data with Champix. He will review the impact of change in nicotine use on the metabolism of certain food and drugs and engage you in a short discussion on the use of insulin in patients with Type 2 diabetes when change in smoking occurs.

Georgina Paterson, B.Sc.Pharm., Pharm.D. Clinical Pharmacist, Mount Royal Pharmacy, will present a pharmacist geared follow-up program for patients trying to quit smoking.
